Writing Instructions for your Paper

It is important that you follow a few guidelines in formatting your paper:

1. The paper should have a **cover sheet**, on which it is stated clearly that it is a *conference paper*, accompanied by the phrase “*do not quote without permission from the author*”.
2. The paper should be written in British English.
3. It is **important** that all references made in the text follow the *Sequential Numbering (Oxford) System* of referencing (i.e. the references should be in footnotes, and *not* within brackets, known as the Harvard system).
4. Use no formatting.
5. Line spacing should be 1.5 lines
6. Font should be Times New Roman, 12 pt.
7. No indented paragraphs!

These simple guidelines are mandatory, and will simplify the revise and resubmit process for the edited volume, should you paper be selected.

Also, please note that all papers will be made available online (for the convenience of the conference participants) for a limited period (between 18 October and 31 October) at the conference website: www.peacenetwerk.se/conference2007.
